

We are inviting the students of SCD to participate in a Remembrance Day activity this week in preparation for our service this Friday. We would like to create a “Veterans Walk” from our front doors leading into the gymnasium of pictures, artifacts and articles from relatives that have served Canada in any capacity. If you have grandparents, aunts, uncles, or parents that have served, or are currently serving, in our Canadian forces we would invite you to bring in their photo with a brief description of their title and position (army, navy, air force). We are hoping to celebrate those that have dedicated their lives in the pursuit of peace and freedom (past and present). All artifacts, photos and mementos will be returned to your family after our service.

Thank you for your participation with this  
Remembrance Day initiative.
